

## CUSTOM ELECTRICAL ENCLOSURES

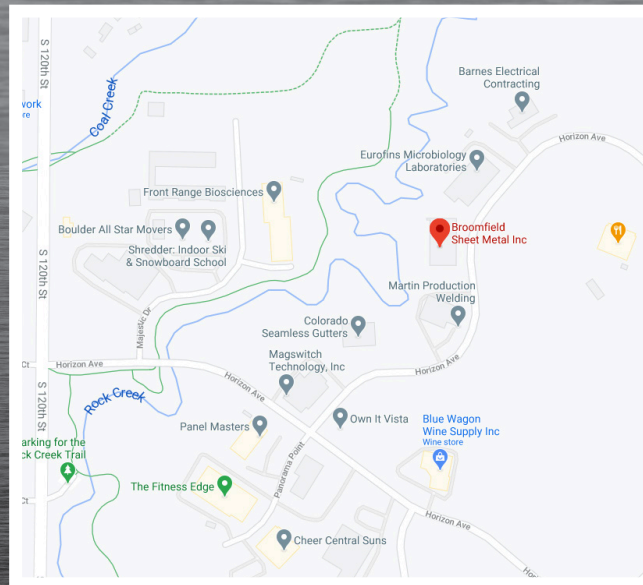

MWBE – Minority/Women Business Enterprise  
DBE – Disadvantaged Business Enterprise  
SAM – System Award Management System

BSM, Inc. has provided custom metal fabrication since 1954. Our custom metal capabilities are endless. Our team is here to help your electrical needs from design to fabrications.

We pride our work by meeting or exceeding NEMA standards, and by offering powder coat and liquid paint finish within short lead-times.

We stock a variety of material such as steel, galvanized and stainless steel for your different requirements.
